

November 2020

Dear Friends,

I love Stable Hands. Our work changes lives and touches hearts, including mine! We provide therapeutic horsemanship activities for children and adults living with disabilities, as well as a program focused exclusively for Veterans, at a beautiful location in Siskiyou County, California.

I am asking for your financial support this year. It takes a great deal of financial help to support the costs of a herd of specially trained horses, pay certified instructors, train volunteers, and cover operating costs such as insurance and utilities, while still offering services for a very low cost to all riders or no cost to many riders. And we make it happen year after year. But we need your help.

This December 1st, we are once again participating in North State Giving Tuesday, sponsored by the Community Foundation of the North State. Giving Tuesday, which is always the Tuesday after Thanksgiving, is a day set apart nationally to give to the non-profits that serve our local communities.

North State Giving Tuesday is an on-line fundraiser, operating from 6:00 am to 8:00 pm on December 1st where donors log on and give to the charities of their choice. North State Giving Tuesday sponsors are making over \$60,000 available in incentive funds to participating non-profits, as well as other prizes, which will add to your Giving Tuesday donation. It is a win-win situation for all parties.

You can learn more about the event and follow the excitement on the North State Giving Tuesday website or log on here for our Giving Tuesday page. We will also have information available on our Stable Hands Facebook page. Giving to local charities is a great way to support the community, express your gratitude for the services they provide or make a donation as a gift to an exceptional non-profit.

Please take a moment out of your busy day to log on and make a donation to Stable Hands on December 1st, North State Giving Tuesday. Better yet, you can do it now, as early giving begins November 17th. Gifts can be made securely using e-check, credit or debit card options. Just click here! www.northstategives.org/stablehands

I will send you a short reminder note as Giving Tuesday draws closer.
Thank you for being a champion and your continuing support of Stable Hands!

Jay Perkins,
